## 1. Chapter 1

\*\*Ok so this was an idea I had because there are no lacrosse stories with httyd. So I decided to make one. Here's the prologue Also thanks to LesserWraith for being my beta \*\*

\*\*Disclaimer: I own nothing. Httyd belongs to its respectable owners\*\*

It was a hot afternoon in the neighborhood of Berk. Everyone was playing and running outside, either with their parents or their friends.

There was a lacrosse team on the field. Hiccup Horrendous Haddock The Third didn't want to be there, but since his dad was the head of the lacrosse program in the area he was forced to do it. He was out there in the pitch with everyone else, and things weren't going well at all.

Every time he missed a catch or dropped the ball or missed a shot in practice someone would let him know, usually along with snide remarks or jokes. The countless hours of being yelled at by his teammates and coach were really adding up, his pain and anger welling up inside him each time an insult was thrown his way, and he was just a tad bit sick of it.

If only he knew how much everything was going to change.

## 2. Chapter 2

\*\*Hey everyone heres the second chapter to this story.  
\*\*

\*\*Disclaimer: I don't own anything.\*\*

Hiccup closed his eyes and took a step back as the white sphere came hurtling towards him. He opened his eyes after he heard a thunk behind him. He turned around and saw the ball lying a couple of feet behind him.

" Hiccup when the balls coming towards you, keep your eyes open and watch it into your stick." Hiss coach Gobber yelled at him as the rest of the team was laughing at Hiccup behind him. "Okay everyone that's practice. See y'all Monday." Gobber said as he walked away.

Hiccup quickly packed up and was ready to leave before he heard a voice behind him.

" That was such a great catch hiccup. I thought that you almost hadn't for a second. Oh wait that's right you didn't." Said a mean voice as it was laughing. Hiccup looked up and saw his cousin Snoutlout standing there.

"yeah yeah I try" Hiccup said dryly as he walked away towards home. As soon as he got home he went up into his room and started to work on his invention. Then as soon as he was bored with that he decided to go to the park and hit the wall some. What he didn't know is that decision would change his life forever.

\*\*well hope everyone enjoyed it. R&R\*\*

### 3. Chapter 3

\*\*Here y'all go, I hope you enjoy and as always I don't own anything\*\*

When Hiccup got to the park he started to hit the wall with his non dominant hand, his right hand. As he was hitting it he couldn't help but think of how ironic it was that he was a lefty and everyone else was a righty. He also found it ironic how he was right handed for everything but lacrosse. He found that fact highly ironic.

" Hey you're pretty good." A voice said out of nowhere. Startled, Hiccup turned around with his lacrosse stick held as if he was going to shoot it. "Relax I'm not going to hurt you" the voice said.

>"Who's there?" Hiccup said, with a hint of fear in his voice. "Show yourself!" As soon as he said that a teenager that looked a bit older than Hiccup walked out of the shadows. He had black hair, green eyes like Hiccup, black jeans on, a black shirt that said Skillet on it in red, with a black jacket on. He also had a lacrosse stick in his hand. Hiccup instantly realized him as a player from the Vikings arch rival team, the Dragons.<br>Then it hit him, this was the Dragons best player, the Night Fury. Hiccup was amazed and scared at the same time.

>" You're the Night Fury, what do you want with me?" Hiccup asked, trying not to show his fear.<br>"Well I've been watching you recently and i thought you could need some help so I came here to help you." The Night Fury replied calmly.

>" But why me?" Hiccup asked, now more confused than scared.<br>"

Because I can tell you have a talent that yet has to be discovered." He replied as of it was obvious. "How about this, you and I train together for a while and get you better."

>"But we are arch nemesis's, isn't this not allowed?" Hiccup asked.<br>"I don't see any rules saying we can't" the Night Fury replied.

>"Ok you got a deal." Hiccup said, with a grin across his face.<br>"Also call me Toothless, all my friends do" Toothless said with a small smile on his face. And that was the beginning of a lifelong friendship that would change everyone's lives.
